TO WHOM IT MAY CONCERN

**FOOD GRADE QUALITY CERTIFICATE**

Product: **PUROLITE C100E**

This is to certify that the ion exchanger defined above corresponds to the definition contained in Title 21 of the US Code of Federal Regulations, section 173.25, paragraph (a), subparagraph (1) and, furthermore, that this ion exchange resin meets the organic extractives level as required by paragraph (c), subparagraph (4) of the said section, when subjected to pre-use treatment by the user in accordance with the manufacturer's directions.

PUROLITE C100E has to be used, under the responsibility of the user, in accordance with good ion exchange practice following the requirements of section 173.25, paragraph (b).

A copy of Title 21, section 173.25 of the Code of Federal Regulations and a leaflet with the pre-use directions, used in lieu of the labelling requirements under paragraph (c) (2) of the said section, are attached to this certificate.

**PUROLITE**

A handwritten signature in blue ink that reads "Matteo Garegnani".
